A MESSAGE FROM CHAD

We have just returned from our family vacation in Florida. We put a lot of miles on the mini-van and had a good time with each other. It was fun watching Emerald experience the beach. She was tiny the last time we went and couldn't remember what it was like.

I always appreciate the perspective I gain when we are away on trips. I realize how much I love Olney. We have such a special community. Our church is an incredibly blessed fellowship. We attended City Church in Tallahassee this past Sunday, and we enjoyed the service, but we missed being in Olney. I did enjoy getting to sit with my family in church and worship together.

This summer is going to be busy. I know people will be coming and going and that commitments will be pulling us all in many different directions. However, I don't want us to have a summer slump. Make sure you are here for worship if you are in town. Be in Sunday School, and please keep up your consistent giving. I understand we had a good attendance on Father's Day. Because we were in a different time zone, I was able to listen to the service as we were driving. The praise team did a great job, and C. J. preached well on a difficult passage in Ephesians 5. It makes a difference when you are here.

Finally, our hearts go out to Ron Keeter's family. We are so sorry to lose Ron so quickly. The pain of sickness and even sudden death has touched our congregation profoundly in these last few months. Let us make sure we are loving each other in the midst of it. All we can do is trust in the Lord and be here for each other.

I look forward to seeing you this weekend for worship.

Brother Chad

Youth Happenings

**FUSE—Meets every Wednesday throughout the summer
6pm at The Refuge!**

****FBCO Youth Mission Olney: June 24—26****

All incoming 7th grade—recent graduate students are welcome to join us as we engage in local service! We will meet at 9 am at FBCO each day and then head to our work site. We will be doing general cleanup projects, so no prior skill is needed. We just need YOU! We will finish up at 12 pm each day. We will provide sunscreen and hydration!

Because of the mission work, there will be no guys' Bible study on Monday afternoon, YouthServe on Tuesday after-noon, or girls Bible study on Friday afternoon! We still have FUSE on Wednesday (6/26/).

Basement Update:

The Property Committee is currently working with an architect firm on guidance and recommendations for exterior/interior options to keep the water from entering the basement. We have someone locally that is currently working to limit the standing water a few hours each day. Once all options are explored we will bring those before the church for discussion and begin the decision making process.
