mailed out on January 31, 2024.

A Message From Brother Chad

Dear Church Family,

Winter Weather! The polar vortex arrived just in time for church this past Sunday. I'm thankful for those who were up here early making sure we had a warm church for worship in the frigid temperatures. It looks like we have a few days to go until it warms up a little. Remember, if you have any physical needs that need attending during weather incidents like these, we have outstanding deacons who are always ready to serve our members who need a hand. Despite the cold weather we had 209 in worship and 174 in Sunday School! Not bad. For those who need to stay home, I appreciate Dale, Sonja, Kevin, Cole, Kade, Jodee, Obelea, Linda, Debbie for taking care of the broadcast production to make sure we are seen and heard on YouTube, Facebook, and Mixlr. I hope you were able to watch and listen and feel connected to what was going on in the room even though you weren't able to join in person.

Hosea - We started a new book study on Sunday. I covered the first chapter of Hosea and will be taking about a chapter a week for the next 13 weeks. Hosea is rich with allusions to other scriptures, so although we will be preaching from Hosea, the sermons will include and draw connections to many other texts. There is much for us to learn from this book. Make sure you are engaged and listening. This coming Sunday we will also celebrate the Lord's Supper.

Homegroups -We kicked off our Explicit Gospel homegroup study on Sunday night. The Cowboys were playing their worst game in decades. So how refreshing it was to just turn that garbage off and focus on the greatest news ever! The weather was probably an issue, but we still had 76 for homegroups. Our group at the Cook's was great as usual. We have the "youth" house, so they make things more fun.

Speaking of youth, we are in the beginning stages of searching for a pastor to work with our youth, as well as our entire church family. I hope you will be in prayer for him even now. In the meantime, we have a fantastic team of volunteers who are helping with the youth ministry. We will be holding fundraisers and getting ready for church camp soon. We will be attending an iGo Highland Lakes Camp near Austin. This is the premiere Baptist encampment in Texas. I know our kids are going to love it.

Building Project - I don't have anything new to report on the building project. We have had some good contact and key meetings, but we are still waiting on some information from prospective contractors. We look forward to presenting something soon.

I hope you are having a great week and growing in the Lord. Don't forget to do your homegroup homework!

Brother Chad
