Dear FBCO,

Thank you for awarding me the Andrew/Foster Memorial Scholarship. As well as thank you for funding my education, so I can start getting a degree in Civil Engineering. I plan to use my education and my abilities to further help build our cities and country. Thank you again!

Sincerely, Seth Nash

Dear Church Family,

I would like to thank everyone who helped build my ramp at my house. I truly appreciate it.

## A Message from Chad

Dear Church Family,

Thank you so much to everyone who helped with our Vacation Bible School. It was a great week of the Lord moving in the lives of many young people. We have such a wonderful ministry to children in this church. It doesn't happen without great sacrifices of time and financial generosity. The impact of this ministry is eternal and immeasurable. Keep going!

Big thank you to Ed, Shelby, and Trent for helping man the Olney rest stop for the Possum Pedal bike race. Olney is the half-way stop for those doing the 55 and the 70-mile routes. We served by handing out water, Gatorade, pickle juice, and snacks. We also held bikes and cheered on the riders. We met a lot of folks and had a good time meeting people who had come from all over Texas to ride bikes through the county.

Father's Day is coming up and I would like to have a Men's Choir for the occasion. I would like for us to have about 20 men up in the choir loft helping us lead worship. We will do all familiar songs and hymns. Please be in the loft on Sunday, men! Make somebody come with you!

Our youth are leaving for camp on Wednesday morning. Be in prayer for the 44 youth and adults from our church who are going. They are attending the Dwell camp in Glorieta, New Mexico. This camp is programmed by the same group that did our camp last year. I am looking forward to seeing how the Lord will work in the lives of our students this year.

Things are still moving along for our building. While our bid plans are moved back one week as structural engineering is worked-out, we do have the new transformer set in the parking lot. This is a major component of our electrical upgrade. I'm excited to see things taking shape. I hope you are keeping up with your building pledges. We are expecting that we will need every bit of the pledge money that we have raised. If you have not made a pledge, will you prayerfully consider giving toward the building program weekly?

I look forward to seeing you Sunday as we dig into the Psalms in Sunday School and look at how Jesus was prepared for his ministry thorough baptism and the wilderness temptation. See you on Sunday.

Love you, see you Sunday!

Brother Chad
